This warranty applied only to the original purchaser and is in lieu of all other warranties, whether expressed or implied. In no event is DDS liable for damages, including consequential damages, beyond the original replacement value of the time-keeping system. There are no warranties which extend beyond the description on the face hereof. DDS hereby excludes all implied warranties of merchantability, fitness for particular purpose, noninfringement or any other warranty other than that above written.

Merchandise, other than custom items, that cannot be used may be returned at a 25% restocking charge if items are shipped prepaid in the original boxes.

Carrier is responsible for parts damaged in shipment. The customer should have driver sign for damaged carton on delivery receipt and make a claim with freight company. Please insist that the carrier's representative conduct an inspection, and retain all packing materials for the inspector.

Please report promptly for immediate follow-up on short shipments.

No action arising from any sale by DDS may be brought by a customer more than 3 months after the date of shipment.
